BT Diverse Repeater

The DECT repeater extends the range of your existing BT Diverse DECT telephone to an additional 50 meters indoors and 300 meters outdoors. It has roaming capability so that calls can be made and received anywhere within the range provided by the Diverse range of telephones. It's easy to use as there's no wiring required. Just plug it into the mains and up to three repeaters can be registered on any single DECT phone, making it ideal for home office or warehouse use.
